### Abstract.

The prominence of Quranic activities in Mashhad and its unprecedented history of nurturing idiosyncratic Quranic figures and programs is one of the most important characteristics of Mashhad to be introduced as the cultural capital of Islamic world on the side of ISESCO in 2017.

Besides the city of Imam Reza(a.s) is the heir of Great Khorasan treasures of the great cultural figures of Toos and large regional center of civilization in Khorasan and the city where spirituality and life bond together.

The major aim of this study is to give a short biography of the prominent scholars in the arena of the Quran and Islamic studies in the holy Mashhad.

**Key words:** Mashhad2017, Quranic figures, prominent scholars
